

Goddess Worship Forum

Goddess Lycia has set up a new public Goddess Worship and fetish forum on her site. It's only been open for a few days but already gathered a lot of activity. She welcomes other Dommies as well as all submissives to join the forum and participate.

Her intention is for all to be welcome to discuss their thoughts, fantasies, and experiences with topics such as erotic hypnosis, humiliation, tease and denial, general fetishes, and D/s relationships.

Please do visit and say hello.
